Specializing in high performance stitching wire products for the printing and packaging industry.

# Nobody beats our drum!

**EASYDRUM™** EASYDRUM™ is the "Original" high-capacity (650 lbs.), torsion-free wire containment and delivery system.

EASYDRUM™ is recyclable and environmentally friendly. It protects wire from dust and dirt, maneuvers easily on casters and reduces downtime.

Dorstener Wire Drawing pioneered the industry leading products **POWERBIND™** and **EASYDRUM™**.

**POWERBIND™** High performance stitching wire is a low-carbon wire that is perfect for all applications, including high-speed and specialty stitching. **POWERBIND™** yields more stitches per pound, reducing both stack heights and cost.
