★ Stand United for Transparency this Giving Tuesday

Dear Pamela,

The spirit of Thanksgiving is galvanizing people this [#GivingTuesday](#) to stand with resolve for what they believe in. Please [stand with us](#):

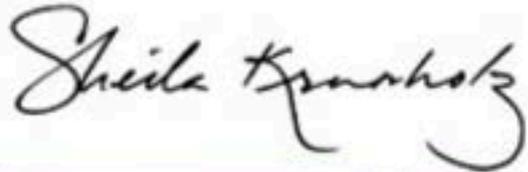

- If you believe that transparency is a central pillar of democratic integrity; 
- If you believe public officials' financial interests should be disclosed to the American people; and
- If you think the nation's leading campaign finance watchdog now has a job to do that is harder, more important than ever and worthy of your support.

This Giving Tuesday, please [make an enduring commitment](#) to transparency with [your donation](#) of \$20.16 to OpenSecrets.

Together we can demonstrate that there is no place in our democracy for secret donations; disclosure is not a bad word; and independent nonpartisan watchdogs like ours are vital to a healthy democracy – especially given the myriad challenges facing voters trying to sort fact from fiction.

Thank you very much for your support and generosity.

Sincerely,

Pamela, this is our favorite day of the year, without a doubt.

That's because Giving Tuesday is a time for all of us to think about what kind of world we want to live in, and to make a contribution toward the change we want to see.

By supporting Heifer's programs in places like Africa, you're helping to create a world where families have the power to take control of their own futures — and where people uplift their neighbors, too, by Passing on the Gift[®].

Today every donation is MATCHED, helping twice as many families move from poverty to self-reliance. [There's never been a better time to make your first gift to Heifer International.](#)

Dear Pamela,

Africa's elephant population has crashed in the past decade, primarily due to poaching. Tigers lost 93% of their historical range in the 20th century. Hundreds of thousands of sea turtles are accidentally caught in fishing gear every year.

Today, you can help change the future for wildlife.

Will you be a hero for vulnerable wildlife and their habitats? Make a Giving Tuesday donation to WWF and, together, we will stop wildlife crime, deforestation, and many other threats to nature and people.

PAMELA, MAKE YOUR GIVING TUESDAY DONATION >

Will you join together with WWF supporters around the world and make a Giving Tuesday gift to help save vulnerable wildlife and wild places?

When you **act now to protect life on our planet**, you will help:

- ✓ save species from the threats of illegal wildlife trade, deforestation, and bycatch;
- ✓ inspire governments to protect elephants, act on climate change, and end illegal fishing;
- ✓ reduce food waste and ensure healthy freshwater systems; and
- ✓ do so much more to protect vulnerable species and their habitats.

With you by our side, WWF and our partners are creating a safer world for wildlife, protecting amazing places, and standing up for communities.
